Why: SATTC club members began playing this sport in the same way - beginning from a novice / no-skill starting point. And somebody / somewhere / sometime helped us get started. Now some of our veteran members want to return the favor and "play it forward" with you.

How: Just show up and register. All you need to bring is your \$10.00 and your willingness to learn more about this all-ages, lifelong, healthful, fun, world-wide sport. If you came last time, and/or the times before, not to worry - you're welcome to come back again. The coach(s) eventually will decide when you're ready to move on to regular fun competition.

SATTC provides the equipment, including a loaner racket if you don't have your own already ... and please don't go out and buy one just yet.
